

the big 7

As a group of Christians from Grove Baptist Church we are constantly speaking to people in our local community about God. There are 7 common objections to believing, which people ask about, and we have decided to face these objections head on.

Come and hear a variety of speakers deal with the BIG SEVEN, 7 of the most common objections about Christianity. The meetings will be open, informal and friendly so please come along.

Enjoy a cup of tea/coffee during the question time.
